Open Access Publication

I would like my article to be published as an Open Access Publication. The rights of use remain with the author. On submission of the original publication in the “Berliner und Münchener Tierärztliche Wochenschrift” and DOI number, the article may be digitally published and linked worldwide.

__________________________________________________
Date, Signature

Price information: The Open Access fee currently amounts to € 950-, plus VAT.
The amount must be paid in full to the publishing company before publication.
